

## Center for Family Connections

### Summer Intensives on Adoption and Complex Families in Provincetown, Massachusetts

Presented by ARC (Adoption Resource Center) and CFFC (Center For Family Connections)

**Session I: The Community of Adoption** / Mon, July 8

**Session II: The First Annual International Adoption Film Festival** / Tues and Wed, July 9 and 10

The archetypal themes of movies are filled with the issues of adoption and complex families. We will view some of the great movies with adoption themes and use them as a catalyst for discussion and education

Themes covered: search, reunion, international, transracial, infertility, untimely pregnancy, developmental issues, siblings, social class, race, culture, historical context, fostercare, agency involvement, and intergenerational aspects. *Movies subject to change.* \$300 for two-day series / \$200 per day

Proceeds from the Film Festival will go to the Expressive Therapy Programs of CFFC.

**Session III: Intensive Clinical Training** / Thurs and Friday, July 11 and 12

- ☒ Two days of intense case discussion and model building.
- ☒ Participants should come equipped with cases to discuss.
- ☒ Participants should do their own genogram and genogram of those of cases they are presenting in advance (to send ahead or bring with them: a one-page description of the case and what their questions or concerns are. Do the same for purchased consultation time).
- ☒ Each of the eight participants will have a proscribed time to present their case succinctly, and participants need to let us know what it is that they want from the group in terms of supervision, support, feedback, or recommendations.
- ☒ For personal or agency consultations by our senior staff: the fee is \$100 for 1/2 hour and our senior clinicians will be available to set up two half-hour sessions during these two days of lunch time. For consultation with Dr. Pavao: the fee is \$150 per 1/2 hour and she will be available for two to four of these during the two days of lunch time. (Proceeds from the personal / agency consultations donated to CFFC).
