Follow Up Reports

In addition to the seven post adoption reports done with your social worker, Family Follow Up Reports may also be required by your court order. These are self report forms that families complete and return to Holt’s Post Placement staff. One photo of your child needs to be cut to size to fit appropriate space on the report form and must be attached to the report. A blank Follow Up Report form is included below. If you have any questions feel free to contact PostPlacement@holtinternational.org.
