

# How to Be an Awesome Concert Volunteer!

## All Volunteers

- Don't forget to check in and out with our onsite tour representative.
- Make it your goal to sign up at least two new child sponsors.
- Ensure you properly complete, seal, protect and return ALL completed child packets to the onsite tour representative before you leave the venue.
- Be ready for intermission! This is the most critical time for engaging new sponsors — and we only have 15 minutes!
- Invite people to sponsor a child. Don't be afraid to reach out! And don't forget to smile!

## Aisle Runners

- When you're introduced from stage, join your fellow volunteers in standing and raising a picture folder over your head to let the crowd know where you are.
- Start from the bottom of your assigned aisle facing the crowd and work slowly up the stairs.
- Work in your assigned section, but be flexible. You may need to approach people in other areas to be effective.
- Remember which band plays before intermission — this is your cue to report to your area!

## Table Reps

- Keep at least two people at the table at all times and familiarize yourself with all Holt materials.

## Transaction basics:

### Cost of Sponsorship

Child sponsorship is \$34 per month.

### Payment

Credit or debit is our preferred method of payment, however we also take cash or checks made out to Holt International. For credit/debit, please follow the provided PCI guidelines.

### Pledges

Pledges or promises to pay later are not accepted. Sponsors may keep their child's picture folder only if they make their first payment tonight. They cannot take the picture folders home and mail in later.

### Cancellation

Sponsors may cancel their sponsorship at any time by contacting Holt.

*Thank you*  
for volunteering!

**HOLT**  **INTERNATIONAL**  
Uplifting children. Strengthening families.

[holtinternational.org](http://holtinternational.org)

## Holt-sponsored children live in these countries:

Cambodia  
China  
Ethiopia  
Haiti

India  
Mongolia  
Philippines  
South Korea

Thailand  
Uganda  
Vietnam

## For their sponsored child, Holt sponsors help provide:

Nutritious food and clean water  
A safe, healthy living environment  
Regular medical care

Warm, clean clothing  
Educational support or daycare  
Support and training for parents

## Sponsors receive:

- A welcome packet with information about their sponsored child.
- A progress report with an updated photo of their sponsored child 2-3 times annually
- Holt's monthly e-news.
- Access to an easy online sponsorship service center account as well as personal representatives available by phone or email.

## Can I write to my child?

Yes! Three times per year, Holt creates opportunities to send a special gift and card to your sponsored child. In addition to these occasions, you can send cards, letters and photos any time.

## How long is a child in sponsorship?

Children remain in our programs until they have a safe, stable home environment and their basic needs are being met — either in their birth family or in a loving adoptive family. If your child leaves our sponsorship program, we will introduce you to another child from a similar program who is waiting for a sponsor.

## How long is my commitment?

Sponsors sign up for a recurring monthly donation. Of course, your sponsorship commitment is voluntary, and you may choose to end your sponsorship commitment at any time.

**If you do not know the answer to a question, kindly explain that you are a volunteer and direct the concertgoer to Holt's website. Please do not guess!**

**If you need assistance at the concert, go to the arena floor table and ask for a Holt representative.**
