RIDING IN A CAR, CARSEATS, and SAFETY BELTS
How I Ride in a Car

This Mommy and her children are going to get in the car.
How I Ride in a Car

Kids have a special seat to sit in. They also have special belts to keep them in their seat so they will always be safe.
How I Ride in a Car

See these children are all buckled in so they will be safe riding in the car. (Parents point to the straps on each child.)
How I Ride in a Car

This is a special seat for really little kids and babies. See her special safety belt? Mommy and Daddy will have their safety straps too. Now we are ready to get in a car. Let’s go!
