CODE OF CONDUCT:

While traveling overseas the Mongolia Vision Trip participants represent Holt International. On the tour we are to be guests in our hosts' country, and it is important to act with respect, patience and kindness in all situations. We ask that you — as an ambassador of Holt — abide by the guidelines below. This is required of every participant joining us on our tours overseas, regardless of the age of the participant.

If a Mongolia Vision Trip participant refuses to follow these guidelines, tour leaders may terminate his or her participation in the tour. If a tour member is asked to leave, Holt will not refund or otherwise offer any compensation for any used or unused portion of the tour, nor for any tour fees already paid. The tour participant is solely responsible for any resulting change or cancellation fees. In accordance with the Guidelines for Holt Vision Trip Participants while on the Holt Vision Trip, I agree:

- to obey the laws of the host country and to respect the traditions of the local culture, and to dress and act accordingly, respecting the values of the local culture as recommended by the Holt tour leaders;
- to not participate in any activities nor visit any establishments proscribed by the tour leaders, even if invited to do so by local residents or other visitors;
- not to engage in political or religious activities that advocate a specific agenda;
- to obey local and/or US laws regarding alcohol consumption, and that if I consume alcoholic beverages, I will do so in moderation, and not consume alcoholic beverages at times proscribed by the tour leaders;
- that I will obey local laws regarding the use of any illegal substance, even if legal in your home state of residence, and that use of any controlled substances will be limited to medicines prescribed by a physician to the tour participant.
